MineSight Seminar 2010

Swakopmund, Namibia

June 1-2, 2010

Bringing essential skills training to mining engineers, mine geologists, management, technical experts, and other mining professionals.

MineSight Seminars

As the mining industry moves through some economically challenging times, it is most important to maximize effective utilization of existing resources. The annual MineSight Seminar is a key opportunity to learn how to get the most out of MineSight software and to become familiar with the many developments released over the past year. The seminar also gives attendees the opportunity to share experiences with other clients and to participate in shaping the direction of future software development. The format of the seminar includes two days of informative presentations from MineSight staff and MineSight clients. We will also hold two days of Post-seminar training covering Advanced MineSight and New Enhancements, May 3-4.

Registration Information

- **Seminar Pre-registration**: Pre-registration for the Seminar is required. Please complete the registration form attached and return it to Maggie.Mofokeng@minesightapps.co.za by May 1, 2010.
- **Registration/Cancellation Deadline**: Attendees whose Seminar registrations and/or cancellations are not finalized by 5:00 p.m. May 21, 2010 will be assessed a $250 late fee by MineSight Applications LTD.

Hotel Information

- The seminar will be held at the Swakopmund Hotel, 13 Luderitz Street, Swakopmund, Namibia,
- For more information, please contact the South Africa office. Each attendee is responsible for their own hotel and transportation arrangements.

Call For Entries - 2010 MineSight Seminar

Technical Papers Invited ..... You are invited to submit an abstract of a proposed paper for presentation at the MineSight Applications Seminar. Please consider any application of MineSight involving a mining challenge which would be of general interest to the attendees. Presentations should be approximately 20 minutes in length.

Deadlines ..... Receipt of abstracts - March 31, 2010
Receipt of final presentation files - April 30, 2010
Please check the presenter box on your registration form to indicate your interest in being a presenter.

Format ..... Please submit your abstracts, in Microsoft® Word format, approximately 100-250 words, with the following information:

- Title, subject, and topic keyword
- Names, titles, addresses, and telephone numbers of all authors

To Submit Abstracts ..... Send abstracts to:

- maggie.mofokeng@minesightapps.co.za (or)
- Fax +27 11.804.0622

(Abstracts for presentations will be reviewed and you will be notified of acceptance no later than April 30, 2010.)
